Some celebrities are known by a single name, even if birth certificates and driver's licenses offer more. Whether or not you care for them personally or admire their contribution to society, you know who they are. Whether it's "Elvis" or "Adele" or "Churchill" or "Obama" – most of us recognize these single names and the people that they identify.

Sadly, though Christians have celebrated "EMMANUEL" for thousands of years, many people today fail to recognize who He really is. Yet, in Matthew 1:21-23 we find this declaration by the Holy Spirit:

"She (Mary) will give birth to a son, and you are to give Him the name Jesus, because He will save His people from their sins." All this took place to fulfill what the Lord had said through the prophet: "The virgin will be with child and will give birth to a son, and they will call Him 'Emmanuel'-- which means, 'God with us.'"

May Calvary Choir's presentation of "Forever, God is with Us" awaken within all of us a clearer perception and appreciation for Jesus. After all, He is the Savior of the world.

Open your heart to "EMMANUEL" this morning. God is here...
